October 5, 2020

Good afternoon, Valley View Families,

I am excited to share information about our **Valley View Clubs** and our plan for **Picture Days**.

Participation in clubs and activities can help students develop a sense of camaraderie and make friendships based on common interests. We encourage students to get involved and have some fun while they learn new skills. Club meetings are scheduled for 3:00 pm on weekdays. For now, all meetings will be held virtually. For more information about each club and how to sign up, please visit the [Valley View Club Google Site](#).

Our Picture Days are scheduled for October 20th and October 23rd. All families will receive an email from Lifetouch with directions on how to select and pay for their desired photo package. Students who are participating in the *hybrid model* will have their photos taken *during the school day* on their regularly scheduled in-person day. Those students who are working *all-remotely* can *sign-up* for a timeslot after dismissal. The sign-up will be sent to our all-remote families in a separate email.

Please contact the main office with any questions.

Have a wonderful week,

A handwritten signature in black ink that reads 'Karin Kidd'. The signature is written in a cursive, flowing style.

Karin Kidd
