October 21, 2020

Dear Parents/Guardians,

At Valley View Middle School, parent/teacher conference time is another chance for teachers to share important information regarding performance and progress concerns. Our goal is to help all students reach their full potential and to continue to strengthen the partnership between parent and school.

Virtual Parent/Teacher Conferences are scheduled for the following dates/times:

Monday, November 2: 6:00 pm to 9:00 pm

Tuesday, November 3: 6:00 pm to 9:00 pm

Wednesday, November 4: 1:00 pm to 3:00 pm

The teachers are working with our school counselor and the child study team to identify students for whom a conference is recommended and will invite parents of those students first. If you receive a request from the school for a conference, your child's teachers are interested in speaking with you about his or her academic or social progress. Middle school conferences are scheduled in seventeen-minute sessions with individual teachers. If you do not receive an email invitation from our office, then your child's teacher(s) has not requested an appointment with you.

On Monday, October 26th, we will open the remaining conference appointment times to the rest of the families. Appointments will be filled on a first-come, first-served basis. All conferences are scheduled through the Conference tab in the Genesis Parent Portal. Please select the "schedule conference for parent-teacher conferences" link. You will receive a follow-up email containing the Google Meet link for *each* of your teacher conferences.

If there are no conference slots available during our scheduled conference days or you are unable to take part in our November conferences, please contact your child's school counselor, Mrs. MacLeod, or your child's teacher to arrange a conference at another time.

Communication between home and school is important and necessary for your child to be successful during the middle school years. As always, we appreciate your continued support. If you have any questions, please contact our main office.

All my best,

A handwritten signature in black ink that reads "Ken Kidd". The signature is written in a cursive, flowing style.
