

Bayberry Elementary School

8/21/21

Dear Bayberry Families,

We would like to welcome our students and parents to our in-person, ***Meet The Teacher*** event on **Tuesday, August 31st**.

We are excited to see everyone for this informal meet & greet that will allow your child to find their classroom, meet their teacher and find their desk, easing any fears they may have about returning to school.

For everyone's safety, masks are required to enter the school building. We also ask that you wait outside the classroom if there is not sufficient room to social distance inside the classroom. Each student's visit should take about 10 minutes so we are expecting a flow of families in and out of the classroom during the following times:

9:00-9:40 Preschool & Kindergarten

10:00-10:40 First Grade

11:00-11:40 Second Grade

1:00-1:40 Third Grade

2:00-2:40 Fourth Grade

Please park in any available spot and enter through the Front Entrance where you will be directed to your child's classroom.

After your scheduled classroom visit, you may visit the All Purpose Room to learn more about our various parent organizations. This is a great opportunity for our new families!

In addition, we would like to make your child's transition back to school as smooth as possible. If your child is experiencing any apprehensions about coming back to school, please reach out to our guidance counselor, Mrs. Fleming, for assistance at kfleming@watchungschools.us.

Thank you & we look forward to seeing you all on the 31st!
