## **Use your Six Thinking Hats for Online Learning!**

Hello Kindergarten/1st Grade SOAR students! This week we will be using our Six Thinking Hats! Think about how learning from home has been so far. Talk about your answers with your parents and we will share when we come back to school!

### White Thinking Hat - Facts

What did you learn this week? Name 3 facts that you learned.

### Yellow Thinking Hat - Positive

What activity did you like doing this week? What did you do well? What was something positive about learning online this week?

### Black Thinking Hat - Negative

What activity didn't you like doing this week? Why not? What was something negative about this week? Why was it negative?

### Red Thinking Hat - Feelings

How did you feel about this week of school while working at home? Why did you feel this way?

### Green Thinking Hat - Seeing something in a new way

Is there something that you could have improved on this week? How can we improve online learning for next week?

### Blue Thinking Hat - Organize/Controls all the other hats

Overall, how would you rate this week? Why?

Check back next Wednesday for your next assignment!
