If you wish to order a copy of one of his books, there are order forms included in the backpack. Thank you to the PTO for their continued support and we look forward to having Mr. Rex visit.

Dear Parent/Guardians:

On Tuesday, March 3, 2020, there will be an information session for parents/guardians of incoming Kindergarten students. The session will review the registration and screening process, Kindergarten NJ Student Learning Standards, Watchung Borough School District approved curriculum, social and emotional development of Kindergarten students, and an overview of the Kindergarten program. There will also be an opportunity for questions after the presentation. Sessions will be held at 9:30 a.m. and 6:30 p.m. in the Bayberry Elementary School All-Purpose Room.

In accordance with the NJ Administrative Code, children must be 5 years of age by October 1, 2019, to enter Kindergarten in September. In addition, we also require proof of residency and that each incoming Kindergarten child has a completed physical examination prior to entering school. I look forward to seeing you at one of the information sessions.

Respectfully,

Jill C. Dobrowansky
