September 13, 2021

Good afternoon, Valley View Families,

I hope your child and your family have had a smooth transition back to school. The staff and I are thrilled to have all of our students back at Valley View!

In addition to getting back in the swing of things with academics, we would also like to begin our clubs and intramurals in the near future. Participation in clubs and activities can help students form a sense of camaraderie and allows them to explore their developing passions. We encourage students to get involved and have some fun while they learn new skills. Club meetings are scheduled for 3:00 pm on weekdays. We will be holding a club fair during lunches on September 14th and 15th. For more information about each club and how to sign up, please visit the [Valley View Club Google Site](#).

Also, please note that our **Picture Day** is scheduled for September 21st. All families will receive an email from Lifetouch with directions on how to select and pay for their desired photo package. All students will have their photos taken during the school day. Please contact the main office with any questions.

Have a wonderful week,

A handwritten signature in black ink that reads 'Karin Kidd'. The signature is written in a cursive style with a small flourish above the 'i' in 'Kidd'.

Karin Kidd
